

M-AIS apsXML® 5.X (Advanced) eAIP Administrator Course

Who should attend the course?

This course provides the definitive introduction to the usage as an administrator or supervisor of eAIP production using the apsXML® system. It is aimed at supervisory and senior staff with the responsibility for keeping eAIP document and system up-to-date. It is suitable for all senior AIP staff.

How long is the course?

2 Days.

What are the benefits of attending?

eAIP administrators who provide support for IAIP Publication and the eAIP editorial staff will benefit greatly from attending this course. The content is targeted at the administration level of the FrameAPS software and gives practical skills for the generation, Quality assurance, issuing and publishing of the eAIP.

Upon completion of this course, you will be familiar with:

- The apsXML® administrative tools
- eAIP advanced setup
- eAIP generation
- eAIP verification
- eAIP Issue Commands
- Printing/Publish to PAMS of eAIP Amendments, eSupplements and Aeronautical Information eCirculars

Also covered is the performance of troubleshooting and high-level file manipulation and recovery procedures.
